September 2026

Dear Parents/Carers

We have invited Reverend Barbara into school to hold our Harvest Festival Assembly for the children, on Tuesday 13th October 2025.

As in previous years, Gilthill School will be supporting the local foodbank in Eastwood, and we would like to ask you to join us by donating bags of shopping, to help the most vulnerable and less fortunate within our community.

The food banks this year have once again seen a rapid increase in demand, with many more families finding themselves in need of help.

The Food Bank are particularly in short supply of the following items: tinned pies, tinned chilli and curry, tinned vegetables and potatoes, coffee, sugar and deodorants. However, any donations are extremely gratefully received and do not have to be limited to just the items listed above. Please find below a list of other suggested items (**please ensure all items are non-perishable – we are unable to accept fresh produce**).

Long life juice or cordial (small bottles or cartons – no fizzy drinks please), wash powder, soap, shower gel/bubble bath, toothpaste, nappies, and sanitary essentials, dog & cat food, pasta sauce, tinned soup, tinned sponge puddings, cereals, dried pasta, baked beans, tinned rice pudding, tinned fruit, tinned fish, jam, biscuits.

Please leave your donated items either at your child's classroom, with the school office, or leave with Mrs Allison on the morning drop off **by Thursday 8th October 2025**.

Thank you in advance for your generosity in supporting this worthwhile local cause.

Yours sincerely

Mrs N Allison
Headteacher
