Dear parents/carers

Great news! Your child has been offered the opportunity to take part in Bikeability cycle training, which is run by First Grade Sports. Bikeability training for Year 5 will take place on Monday 8<sup>th</sup> September 2025.

## What is Bikeability?

Bikeability is based on the government's National Standard for cycling and instructor training, preparing people to cycle where cycling is permitted.

Our First Grade National Standards Cycling Instructors deliver Bikeability in school and are always there to make sure that children are learning in a fun, friendly and safe group environment.

We need your consent for your child to participate in Bikeability cycle training. Please either scan the QR code below or click the link to consent for your child to take part in Bikeability cycle training.

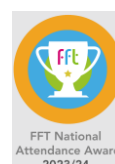

This information is required prior to the commencement of the Bikeability training.
