February 2025

Dear Parents and Carers,

As you may know, we have been working with Voice 21 over the past couple of years to develop our oracy provision in school.

I have always believed in the power of oracy to unlock learning potential, enabling children to learn through talk and by talk. Our aim as a school is to 'inspire today's children to embrace tomorrow's challenges' and what better way to do that than by equipping them with the tools to be effective and confident communicators?

Mrs Langmaid, our school Oracy Champion, has collaborated with Voice 21 to enhance our oracy teaching and integrate a specific oracy framework alongside our whole school curriculum.

If you would like to learn a little more about our oracy journey, Mrs Langmaid will be hosting a parent information session on **Wednesday, 12th March, from 2:30pm** in the school hall.

The session will provide an opportunity for parents to understand what oracy is and what it looks like in the classroom and to ask any questions they may have.

Looking ahead to next year, we aim to offer some parent oracy workshops so you can support your child's oracy journey at home.

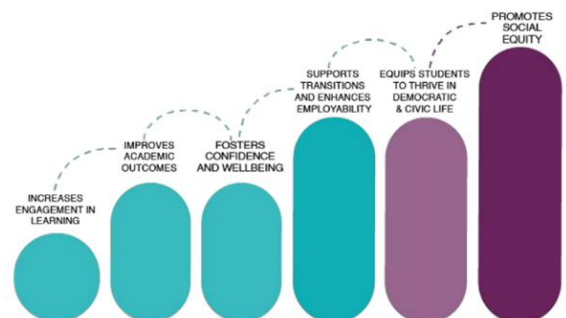

We look forward to warmly welcoming you into school and delving into our oracy adventure together in March!

Best wishes,

Nicky Allison
